MARRIAGE. Married Persons, or Young Men contemplating marriage, being aware of Physicia Weakness, Organic Debility, Deformities speedly cured.

He who places himself under the care of Dr. J. may religiously confide in his honos as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS,

ORGANIC WEAKNESS.
Immediately cured and full vigor restored.
This distressing affection, which renders life miserable and marriage impossible, is the penalty paid by the victims of improper indulgences. Young persons are too apt too mit excesses from not being aware of the dreadful consequences that may ensue. Now who that understands the subject will pretend to deny that the power of procreation is lost sconer by those falling fine improper habits than by the prudent. Besides being deprived of the pleasure of healthy offspring, the most serious and the process of the processing of the processing the most serious and the process of the processing of the processing of the processing the most serious and the processing of the processing the processing of the practical consumption, Decay and Death.

DR. JOHNSON,
Member of the Eoyal College of Surgeons.

Member of the Boyal College of Surgeons, condon, Graduate of one of the most emisent Colleges in the United States, and the next terp part of whose life has been spent in a nospitals of London, Paris, Philadelphia of less where, has effected some of the most stonishing curses that were ever known early troubled with ringing in the head and are when assiepp, great nervousness, being larmed at sudden sounds, bashruiness, with request hipships, attended sometimes with

—Francis R. Armstrong, an old and respected citizen of Wheeling, died of paralysis at an early hour yesterday morning at the residence of J. D. Du Bois of this city.

Bois of this city. PROGRESSING.—Our readers are aware all the evidence for and against, disthat several thousand dollars have missed the case at the costs of the city. that several thousand dollars have been appropriated within the last year or two by the Legislature for the erection of a branch Normal School at Fairmont. The building has been put under contract, and the work is now progressing finely. It is contemplated to have it realy for the reception of

to have it ready for the reception of students by the ist of November. Our State deserves great credit for the interest it has manifested in the intellectual culture of our people, and a few years will show a marked improvement in the mental status of the citizensol our youthful Commonwealth.

OFF FOR MOUNDSVILLE,—Mr. McFadden, superintendent of the penitentiary, came up to the city yesterday to receive into custody, Edward Smith, Shepherd Hartwell and George Hale, who were lodged in jail here, on route OFF FOR MOUNDSVILLE, -Mr. McFad. SAM'L M'CLELLAN. CHESTER D. KNOX. who were lodged in jail here, en route DEAD.—We gave an account of the severe injuries austained by Peter Benner from falling off his horse on Sunday evening, in our paper of the following morning. Since the accident, we are informed, Mr. B. has been lying in an unconscious state, the shock to his nervous system being too great to be overcome by the efforts of his physician. Several times since the sad occurrence his death has been reported on the streets, but the rumors proved to be incorrect, until yesterday morning, when Mr. Benner died at his residence in North Wheeling. Mr. B. was for some time on duty as a police officer under ex Sergeant Scarborough.

AMERICAN WALTHAM WATCHES. THE REST!! THE CHEAPEST!! THE ENT!! THE CHEAPEST!!

THE EXTENSIVE USE OF THESE Watches by Railway Conductors, Engineers, and Expressmen, the most exacting class of watch-wearers, has thoroughly demonstrated the strength, steadiness durability, and accuracy of the Waltham Walch. To satisfy that class in all these respects is to decide the question as to the real value of these timekeepers.

More than 80,000 are speaking for themselves in the pockets of the people.

Imporied Waiches are made on an expensive system, in small numbers, but by numeros makers and numbers, but by numeros makers and numbers, but by numeros makers and numbers. Only by numeros makers and in the wood instructure. To the Mannifacture's profit must be added Cost of Importation.

A Custom-house duty of 25 per cent, payable in Gold.

A profit of at least 25 per cent to the Importer, another profit to the jobber; thus nearly doubling the cost of the imported watch.

At Waltham, Watches are manufactured.

porter, annual porter, annual porter, annual post of the important watch.

At Waltham, Watches are manufactured on a large scale, under one roof and system of supervision and management, thereby saving many of the expenses necessarily incurred in small establishments; hence their assat chestness.

coursed in small establishments; hence their coursed in small establishments; hence their and it is a small establishments; hence their and it is a small establishment and it would know, it is avorable to small profits. The trade is satisfied, because, though the profit on each watch is small, the demand is large and all are salable.

Unscrupulous importers occasionally place a worthless Swiss imitation in the market. To avoid imposition, the purchaser should invariably demand a certificate of genuineness agned by the treasurer of the american invariably demand a certificate of the american. There are different grades and the different varieties of Watches made by the Waltham Company, as there are different sizes and shapes to soit all usates and means, but every Watch that bears the genuine trade mark of "Waltham" is guaranteed to be a good one, and nobody need be afraid to buy it.

Every Watch Pully Warranted For sale by all first-class dealers in the United States and Eritish Provinces.

ROBBINS & APPLETON,

No. 182 Broadway, N. Y.

557-Ask for the Waltham Watch, and take no other. It is the best. It is the cheapest.
